

High-Volume, Rapid Turnaround **COVID-19 Testing** Results When You Need Them

Northwest Laboratory is a national clinical laboratory offering **high-volume, rapid turnaround COVID-19 testing services**. Our seasoned team of pathologists, scientists and support personnel is committed to delivering **high-quality test results within 24 hours** of receipt at our facility.

Turnaround Time
24-48 hrs → Active Capacity
25,000 → Results to Date
1.4 Million+
After Receipt of Specimen COVID-19 Tests Per Day COVID-19 PCR Tests

→ Significant Testing Capacity

- Active capacity of 25,000 COVID-19 tests per day, with the ability to expand as demand grows.
- Over 1.4 million COVID-19 tests performed to date.
- Robust and reliable supply chain with significant inventory of reagents and supplies currently on hand.
- Specimens accepted: anterior nares swabs, nasopharyngeal swabs, bronchoalveolar lavage (BAL) fluid, and saliva.

→ Rapid Turnaround Time

- Test results are available within 24-48 hours of receipt in our laboratory.
- Highly automated laboratory enables greater capacity, faster results and reduced errors.

High-Volume, Rapid Turnaround COVID-19 Testing

→ Experienced Scientific Leadership

- Northwest Laboratory has been providing high quality professional pathology and laboratory services for more than 30 years.
- COVID-19 operations are lead by molecular biologists Greg Wolgamot, MD, PhD and Ryan Fortna, MD, PhD who have extensive experience in PCR methodology.

→ Highly Reliable Test Results

- Utilizing the Thermo Fisher TaqPath COVID-19 RT-PCR assay, considered the industry gold standard for COVID testing.
- The assay detects three viral genes, providing exceptional sensitivity and specificity. Reliably detects UK variant and other strains.
- Every positive result is reviewed by a lab technologist to ensure accuracy.

→ Responsive, Professional COVID-19 Testing Support

- Operations Team is professional and highly responsive.
- Quick implementation of electronic interfaces with most EMR/LIS platforms provides for smooth and efficient transmission of orders and reports.
- Specimen collection kits are provided at no cost.
- Transportation of specimens is arranged and paid for by Northwest Laboratory.

→ Northwest Laboratory...

- Runs 7 days a week, 24 hours a day, 365 days a year.
- Call Center operates 7 days a week.

Mon - Fri: 5am - 10pm (PST)
Sat & Sun: 7am - 10pm (PST)
